

Club Workday Projects left to be done summer 2018

Please bring appropriate tools.

1. Touch up paint upstairs inside wall that needed to be patched after renovations and downstairs wall behind dehumidifier. Paint and supplies are in the shed.
2. Clean/stain outside stairs (that lead to upstairs porch) and upstairs porch floor. Need to get stain.
3. Paint pavilion gables, especially lake side. Paint is in shed.
4. Mow the dam embankments. A walk behind mower is in the shed at the dam; bring 93 octane gas for it. Also bring a good string trimmer.
5. Cut brush back along dam road.
6. Clear the trails in the north woods.
7. Mow the shooting range.
8. Tree grove thinning – Foremen – Brian Slocum and Chuck Westgate
